

Chocolate House

Ingredients:

- 2 Slabs Beacon milk chocolate
- 4 Slabs Beacon mint magic chocolate
- chocolate
- 6 Slabs Beacon ebony & ivory chocolate
- chocolate
- Maynards jelly beans
- Jelly tots
- Beacon Fav'rites
- 2 Beacon milk Wonder bars
- Beacon All sorts
- Maynards starlight sweets
- Jelly tots - craziberries flavoured

Directions:

1. Using a knife straighten the bevel edge of a bar of Beacon milk chocolate.
2. Count the chocolate blocks, 5 from the bottom and cut the slab at a 45°C angle.
3. Repeat with a second slab of chocolate, slicing at an opposite 45°C angle.
4. Put the pieces together to form the triangular roof shapes.
5. Break a third & fourth slab of Beacon milk chocolate into sections of 2 x 3 blocks. You will need 4 of these sections in total.
6. Melt the extra chocolate blocks and shavings in a bowl over hot water.
7. Once melted pour the chocolate into a piping bag.
8. Use the melted chocolate to stick the chocolate pieces together and form the shape of the house. Seal the edges with additional chocolate piped into the cracks.
9. Using the melted chocolate, stick 2 slabs of Beacon mint magic chocolate together to form one wall of the chocolate house. Repeat to create the second wall.
10. Using the piping bag, pipe melted chocolate onto the base chocolate bars, one block from the edge and stick the walls onto the base. Use melted chocolate to seal the walls in place.
11. Fill the house with jelly tots and jelly beans as well as a handful of Beacon Fav'rites chocolates.
12. Using Beacon ebony & ivory chocolate break the slabs into sections of 4 x 2 blocks. You will need 6 of these sections.
13. Use the melted chocolate to stick 3 sections side by side. Repeat with the second set of 3. Again, sealing the cracks with melted chocolate.
14. Place these onto the house to create the roof and secure them in place with the melted chocolate.
15. Stick 2 Wonder bars onto the front of the house.
16. Use a 3x2 section of ebony & ivory chocolate blocks as a door for the house, sticking the door in place with melted chocolate.
17. Stick a jelly tot to the door as a door knob.
18. Use 2 x 2 sections of Beacon ebony & ivory chocolate to create 2 windows on each wall.

19. Decorate the house using an assortment of beacon sweets.
20. Create roof tiles using Beacon All Sorts.
21. Create house decorations using jelly tots, Maynards wine gums & Maynards starlight sweets.
